Subject: O/PPB Recommendations for FY 1974

25X1A

In the event that a decision were to be made
to close-out IDEALIST in FY 1975, the proposed position and
fund authorizations would nevertheless be inadequate; sufficient
funding would have to be provided to permit orderly closing of
the bases, return of uniformed personnel to their present services,
travel for contractor personnel now overseas, PCS return of CIA
personnel from overseas and domestic installations and the pay-
rolling of CIA civilian personnel until other positions for them
can be found.

4. No comment on fund reductions for is submitted
at this time.
